

## CLUB INSURANCE

The Model A Ford Club of America (MAFCA) provides general liability insurance for its members. The limit on the policy is \$2,000,000. Of particular note is that this policy does NOT cover the members Model A. It is a liability insurance covering a member while participating in an approved club event. Car liability insurance must be obtained separately by the individual car owner.

MAFCA also provides Directors and Officers (D&O) insurance that provides financial protection against breach of "duty" by chapter directors, officers and committee chairpersons. The limit on this policy is \$3,000,000. This coverage includes any actual or alleged act of omission, error, misstatement, misleading statement, neglect, or breach of duty by an insured person in the discharge of his/her duties.

This insurance, provided to the clubs by MAFCA at no charge, is part of the reason that membership in the Evergreen Model A Ford Club requires that the member also be a member of the Model A Ford Club of America (MAFCA).

A copy of the full text of the MAFCA insurance policy (P2S03) may be obtained from MAFCA by going to their web site, [MAFCA.COM](http://MAFCA.COM), click on MAFCA info, then select about MAFCA and select insurance.
